Feel free to use this sample Photo Release form or check with your own attorney for their recommendations. We live in a sue-happy society. DON'T take for granted that everyone wants their picture published. Cover all your bases and your backside and have everyone fill out this form as part of REGISTRATION. That way, you'll know **before** you take pictures/video and publicize them who DOESN'T want to see themselves in the paper, on the news or on your website. As a former professional photographer, I know you want this form as part of your registration packet. **BETTER SAFE THAN SORRY.**
